

# *Come and Join our Aleph Class!*

The Aleph class is a combined class of about 10 students who are in either Kindergarten or 1st grade. The class meets from 4-5:30 on Wednesday afternoons at Hebrew Tabernacle, 551 Ft. Washington Avenue at 185<sup>th</sup> Street. The curriculum for the class is early bible stories, learning the Hebrew alphabet and becoming familiar with Jewish culture. We have a wonderful teacher who has been working with our youngest students for the last four years. She also has an assistant teacher who helps everyone have a great time. Our Aleph students have *fun* every Wednesday!
